Community Volunteer Hours

"Serve the LORD with gladness! Come into his presence with singing!" Psalm 100:2 ESV

Bridges is a hybrid school and co-op meaning we are a community of families coming together to encourage, support, and educate our children. To be able to serve families, keep costs down, and provide excellent programs that meet the needs of our families we rely on volunteers. Here is the volunteer commitment for the full year for each family. We know that the need for help could limit some families from participating in our programs: either due to work or care responsibilities. We do not want this to be a burden so please see below and contact us to discuss your personal situation.

Grade	Annual Total	Student portion	Any Family member or friend in the student's name*
Bridges Connects	70	7	63
1 st -6 th			
7 th -12 th	100	20	80
Financial Aid Recipients	150	20	130

A partial opt-out option is available at \$18/community hour. A maximum of 75% of the total hours may be opted out of, paid by October 1. All hours must be fulfilled by June 20th. Any unfulfilled hours after this date will be billed to the family account.

Elementary Students must fulfill 10% of the total hours, Jr high and High school students must fulfill 10% per semester. Opportunities appropriate to the student's age and ability will be made available and announced in our community groups.
